Ancient-Modern Chinese Parallel Dataset Release Agreement

Introduction

The Ancient-Modern Chinese Parallel Dataset can only be used for scientific research purposes. It was collected by the Data Intelligence and Computing Art Lab (hereinafter referred to as "DICALab") of College of Computer Science, Sichuan University, China. Any individuals or groups may use this Dataset free of charge for the purposes stated above.

Rules

1. **Redistribution:** Without prior permission from the DICALab, the Dataset, either entirely or partly, must not be further distributed, published, copied, or disseminated in any way or form, no matter for profitable use or not, including further distribution to a different department or organization in the same system.

2. **Modification:** Without prior permission from the DICALab, the Dataset, either entirely or partly, is not allowed to be modified.

3. **Commercial use:** Without prior permission from the DICALab, the Dataset, either entirely, partly, or in any format derived thereof, is not allowed for commercial use.

4. **Publication requirements:** In no case should the sentences be used in any way that may possibly cause dispute, embarrassment or mental anguish to any of the subjects in the Dataset.

5. **Indemnification**: All persons using the Dataset agree to indemnify, defend and cause no harm to the DICALab and its employees and agents, individually and collectively, from and against any loss, expense and damage. Users shall pay for all damages, claims, judgments or expenses caused by misuse of this Dataset.

Note

Signatory must have the legal authority on behalf of the licensee to sign the licensing agreements with the DICALab. Licensee's legal staff should review the terms and conditions of this agreement and execute it. Agreements signed by individuals without this authority are not valid and will be discarded.
